

## Exceptional Teams

... center people and relationships at the heart of the team. They care about culture as much as performance.

Exceptional Teams are:

Collaborative

Connected

Courageous

Committed

## ANATOMY OF AN EXCEPTIONAL TEAM

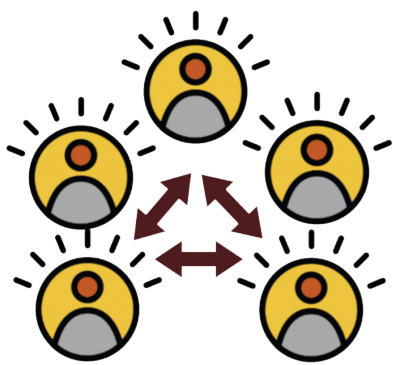

### Individuals

A team is a group of unique autonomous individuals with their own strengths, skills, style, emotional signature, lived experience, and level of well-being.

### Pairs

A team is a group of interdependent and interrelated individuals, each with a unique relationship to each other.

### The System

A team is formed from the integration and cohesive functioning of independent and interdependent component into a whole system.

## THE ADELANTE APPROACH

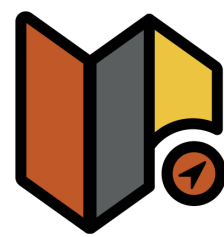

Adelante coaching, consulting, and team workshops support and nurture individual members, their 1:1 relationships with each other, and the team as an integral whole.
